DG International Partnerships

The Directorate-General for International Partnerships is responsible for formulating the EU's international partnership and development policy, the ultimate goal to reduce poverty, ensure sustainable development, and promote democracy, human rights.

Five overarching priorities:

- green deal,
- digital transformation,
- growth and jobs,
- migration and mobility,
- good governance, democracy and rule of law

And among the transversal Human Development including education

Future Steps:

- Programming
- Align with the outlined priorities
- Strategic partnerships around solution to problems in HE
- Bottom up driven knowledge transfer between partners
- System wide improvements
- Encourage HE institutions in countries that have participated to a lesser extend to join
- Inclusion of less experienced HE institutions

Visibility:

- Results of actions promoted at country, regional and global level
- HE institutions at country level are aware of the action.
- Organise info sessions at country level about ERASMUS+ not only Capacity Building in Higher education

Thank you
